

[\*13] In one interesting and provocative side note she says:

... in the latest and perhaps most subtle effort at suppression of the primal matrix, university-taught deconstructive and New Age “you-create-your-own-reality” ideologies are training people to deny the existence of human universalities and a preference for well-being in favor of superficiality, absolute relativity, and meaninglessness. (*Name*, 8)

I call attention to this because, as a long-time university professor during the poststructuralist era, with expertise in those systems of inquiry, I agree with her. As I say here and elsewhere in my work, what started out as long-overdue and much needed counter to the patriarchal systems and discourses of Modernism ended up (as Bakunin believes Marx does) simply reincarnating the same hierarchy with different elites operating despotically at the apex of the pyramid.
